PRIVY COUNCIL • CONSEIL PRIVÉ

WHEREAS the Minister of Transport on the advice of The St. Lawrence Seaway Authority, reports as follows:

that the Authority was established, pursuant to C. 242, R.S.C. 1952, for the purposes, amongst others, of acquiring land for and constructing, maintaining and operating all such works as may be necessary to provide and maintain, either wholly in Canada or in conjunction with works undertaken by an appropriate authority in the United States, a deep waterway between the Port of Montreal and Lake Erie;

that in accordance with section 14 of the said Act, and by Order in Council P.C. 1959-204 dated the 19th day of February, 1959, the Governor in Council entrusted the management and operation of the Welland (Ship) Canal to the Authority upon condition that it form an integral part of the deep waterway between Montreal and Lake Erie;

that by Order in Council P.C. 1965-2174 of 2nd December 1965, approval was given to The St. Lawrence Seaway Authority for the taking or acquiring, without the consent of the owner, of lands in connection with, amongst other things, the diversion of the southerly section of the Welland Canal;

that the lands were duly expropriated by Notice of Expropriation registered on the 6th day of December, 1965;

-2-

that at the time of the expropriation the exact location of future tunnels under the Canal diversion had not been ascertained and no decision had been reached with respect to the location of railway facilities which would ultimately be required.

that by Order in Council P.C. 1968-2267 of 10th December 1968, approval was given to the St. Lawrence Seaway Authority for the taking or acquiring, without the consent of the owner, of the lands required for a railway tunnel under the Canal diversion and for the relocation of two segments of railway right-of-way;

that the lands were duly expropriated by Notice of Expropriation registered on the 26th December, 1968;

that by a further Order in Council P.C. 1969-1541 of 29th July 1969, approval was given to The St. Lawrence Seaway Authority for the taking or acquiring, without the consent of the owner, of the lands required for an extension to the easterly approach to the railway tunnel and for the relocation of four additional segments of railway right-of-way. The latter Order in Council contained a declaration that the lands described in the Schedule thereto are deemed to be necessarily incidental to works undertaken pursuant to the St. Lawrence Seaway Authority Act;

that the lands were duly expropriated by Notice of Expropriation registered on the 18th day of August, 1969;

that at the time of approval of Orders in Council P.C. 1968-2267 and P.C. 1969-1541, it was not known which roads would remain open and which roads would have to be closed. Consequently, the lands acquired for railway rights-of-way, as set forth in the Schedules to the said Orders in Council did not include the sections of road and road allowances to be crossed by the relocated railway tracks;

....3

-3-

that it has now been ascertained that the twenty-one parcels of municipally-owned land consisting of sections of road and road allowance set forth in Schedule "A" hereto are required immediately so that these sections of road and road allowance may be closed;

that it has now also been ascertained that the fourteen additional parcels of privately-owned land set forth in Schedule "B" hereto are required immediately, partly for the relocation of railway rights-of-way leading to the railway tunnel, partly for railway yard facilities and partly for road relocations made necessary for the construction of overpasses at railway intersections;

that as the railway bridges now crossing the south-erly section of the Welland Canal are to be replaced ultimately by a single railway tunnel, it is respectfully submitted that the lands required for this project, as set forth in Schedules "A" and "B" hereto, are required for works necessarily incidental to works undertaken pursuant to the St. Lawrence Seaway Authority Act; and

that this declaration is a preliminary step in the procedures to acquire, by purchase or expropriation, part of the land needed for the railway approaches to the Townline Road tunnel, Welland, Ontario, and for the appurtenant highway overpasses, all being an integral part of the Welland By-Pass Project.

THEREFORE, HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL, on the recommendation of the Minister of Transport, pursuant to section 10 of the St. Lawrence Seaway Authority Act, is pleased hereby to declare that the lands described in Schedules "A" and "B" hereto are deemed to be required for works necessarily incidental to works undertaken pursuant to the said Act.

WHEREAS the Department of Transport has surplus to its requirements the non-directional beacon site at Sioux Lookout, Ontario. A portion of the lands required for this site was acquired some years ago from the Provincial Crown and was only recently returned to the Province. As the access road to the remaining lands was leased from the Province they were approached to ascertain if they were interested in taking over the administration and control of the remaining area consisting of 21.05 acres and they replied in the affirmative;

AND WHEREAS the land was originally acquired from the Grand Trunk Pacific Railway Company some years ago and is no longer required for any public purpose;

AND WHEREAS the Province of Ontario has agreed to meet the asking price for the property, namely \$500, which is considered fair and reasonable by the Director, Real Estate Branch of the Department of Transport.

THEREFORE, HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL, on the recommendation of the Minister of Transport, pursuant to the Public Lands Grants Act, is pleased hereby to transfer to Her Majesty in right of the Province of Ontario, for the sum of \$500, the administration and control of the said lands being the former non-directional beacon site at Sioux Lookout, in the District of Kenora, Province of Ontario, more particularly described in the Schedule hereto.
